

Way description to Vienna International Airport/training facilities

Dear passengers!

Aircraft Safety Network thanks for your reservation!

Please find enclosed a way description to the training facilities used for this event.

Driving directions:

A2 direction Vienna – leads into:

A 23 direction PRAHA - leave the A23 at the direction: **A4 Budapest** – stay on the A4 direction **Flughafen (Airport →)** .

Leave the A4 at the direction **Flughafen (Airport →)** .

Attention: The way bifurcates in a lane straight ahead (= Flughafen/Airport) and in a lane to the right (= Schwechat) .

Take right lane (= Schwechat) **leading slightly uphill** until you reach a traffic light:
Turn right.

Move straight ahead .

First traffic light: **straight on, until you reach a separate lane to turn left:**

GREEN SIGN: FLUGHAFEN BASIS

Proceed straight forward – park the car momentarily at the bus station at the right hand side.

Proceed to the central concierge in the glass building.

Take an identity card with you in order to receive a temporary visitor permit.

This permit is also used to grant access to the training site.

Please get one temporary visitor permit per person!

Proceeding back to the car, pass the gate at the right hand side from your current parking position.

Place the visitor permit close to the small box at the gate.

Gate opens.

Passing the gate with two cars at once is not permitted/possible!

Turn right, then left.

On the left hand side you can see a big, grey building and a turnstile (=entrance).

Park the car and proceed to the turnstile.

Hold the visitor permit close to the small box at the entrance.

Wait for the signal – turnstile is now unlocked.

Proceed to the main entrance of the grey building, marked with EINGANG (entrance).

Departure:

Prior passing the turnstile, the yellow button has to be pushed.

The gate opens automatically at the departure.

Exchange the visitor permit for your personal identity card.

We wish you a safe journey!

Aircraft Safety Network is looking forward to spending an interesting training day with you!

Best regards from Vienna,
