

Route description to the Trainings Center/ Vienna Aviation Campus

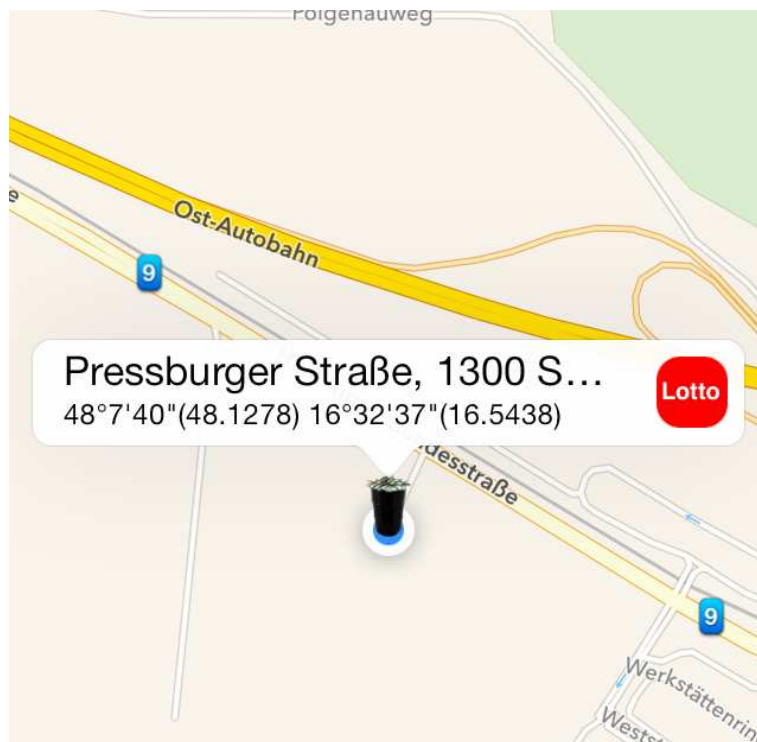

Dear passengers!

Aircraft Safety Network thanks you for your reservation!

Kindly note, that trainings/events/workshops will NOT take place in our main office, but at the **Vienna Airport.**

Please find enclosed a route description to the training facilities used for this event.

Arriving by car with navigation system:

Arriving by car from Vienna without navigation system:

A23 Motorway: Join the A4 going towards Budapest – stay on the A4 going towards the airport.

Leave at the exit for the airport.

ATTENTION: The road now splits into two. One road keeps going straight (=Airport) and one road turns right (toward Schwechat).

KEEP RIGHT - slightly uphill

Turn right at the light.

First traffic light: straight on until you reach a separate lane to turn left:

GREEN SIGN: FLUGHAFEN BASIS

Proceed straight forward – park the car temporarily at the dedicated parking space (not in the bus station) at the right hand side.

Proceed to the central concierge in the glass building and inform the concierge that you are going to attend a training/workshop in the Trainings Center.

Proceeding back to the car, pass the gate at the right hand side from your current parking position. (The concierge will open the gate for you).

Passing the gate with two cars at once is not permitted / possible!

Park your car and proceed to the main entrance of the blue building.

Departure

When leaving by car the gate will open automatically!

On weekends only: When leaving the facilities you will need to pass through a turnstile. Before turning the turnstile push the yellow button on the right which unlocks the turnstile for one person at a time.

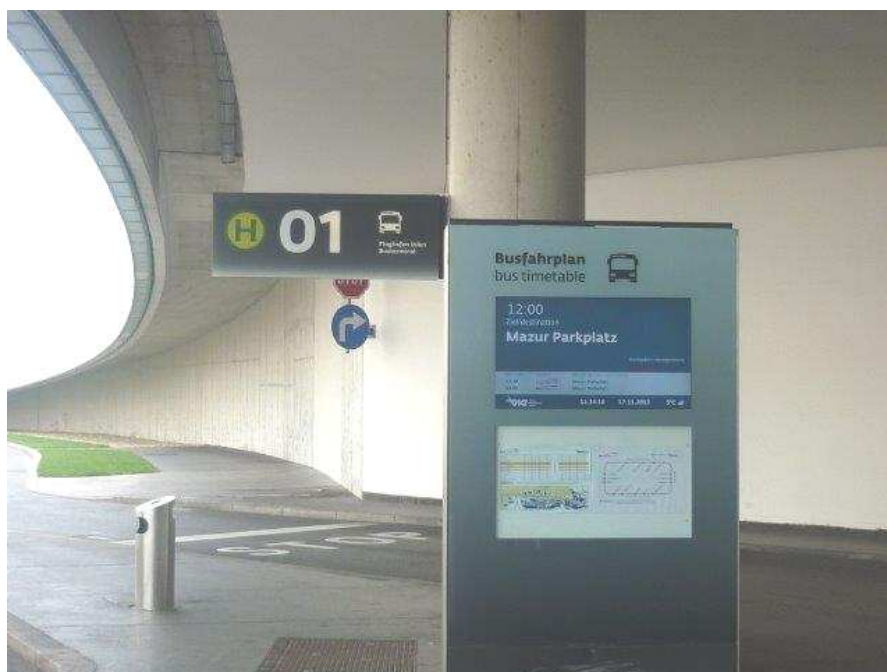

Arriving by public transportation:

Select your preferred public transportation to the airport.

Once you leave the **arrivals hall**, turn to the right and proceed to the very end of the arrival area.

There you will find the following bus stop:

Take the **Coach Stage 1** (refer to picture above)

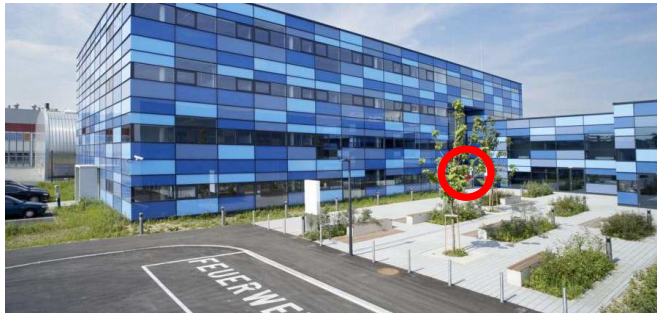

Schedule: Departure every 30 min. from 05.30 a.m. until 11 p.m.

Designation of bus stop: **AUA Haupteingang**

Duration of travel: **Appr. 15 minutes**

The Training Center which is the blue glass building is about a one minute walk from the arrival bus stop. (Entrance area is marked with red symbol).

**On weekends the door of the Trainings Center is locked and will not open automatically.
For entry please ring the bell for the concierge next to the door. He will open the door for you.**

We wish you a safe journey!

Aircraft Safety Network is looking forward to spending an interesting training day with you!

If you have questions on the respective training day, please call your trainers: **+43(0) 650/9111395.**

Best regards,

The ASN Team
Aircraft Safety Network
